Certificate of Internship Completion

This is to certify that Maitreya Sameer Ganu, a BSMS student of Indian Institute of Science Education and Research Thiruvananthapuram, has successfully completed a summer internship under my guidance from **May 1, 2024** to **July 19, 2024** at the Indian Institute of Science Education & Research Pune.

During the internship, he worked on the project titled Cryptography. The project involved studying the first five chapters of the book titled “**Introduction to Cryptography**” by **Johannes A. Buchmann**. He has studied basic cryptosystems, including DES, and has demonstrated a keen interest in the subject matter.

I wish all the best in his future endeavours.
